

# Your Special Tribute

In support of  
Alice House Hospice

**Alice House Hospice**

*Serving the communities of  
Hartlepool & East Durham*

Bereavement is a distressing and difficult time and we are here to help if you need us to.

A member of our Counselling & Support Team will be in touch soon. They have a variety of services, free of charge, which may help you to cope with your grief.

In the meantime you can call 01429 855550 to talk to someone about the help available or you can visit the Counselling and Support page at

[www.alicehousehospice.co.uk](http://www.alicehousehospice.co.uk)

It may bring you comfort to help others in a similar situation, or to 'pay it forward' for those who also need Alice House Hospice.

This leaflet will give you some ideas on how you can pay tribute to your loved ones and support others who need Alice House Hospice too.

# Funeral Collections in Memory of

Asking friends and family to donate to Alice House Hospice in lieu of flowers or to have a collection at their funeral and wake is a meaningful way to remember your loved one.

We can create a complimentary Treasured Memories page which you can share online.

Online they can leave messages and even increase their donation with Gift Aid. Donations can be made anonymously and the amount hidden if preferred.

A Treasured Memories page can also be used to share details of the funeral to everyone who needs to know, making sure everyone can pay their respects.

Alternatively we can give your Funeral Director with Gift Aid Envelopes and a personalised in memory donation bucket.

We will thank each person for their donations where they give consent and contact details.

# Where does the money come from?

Alice House Hospice is a local charity that provides *free care and support* to all of Hartlepool and East Durham. Government funding is limited so we rely each year on donations, fundraising and gifts in Wills to raise the £3 million needed to keep our doors open.

**Your donations** provide a wide range of services including:

- 🕊 Inpatient care and Day Hospice care.
- 🕊 24 Hour Helpline for families & health professionals.
- 🕊 Physiotherapy and Complementary Therapies for patients.
- 🕊 Counselling and Support for the whole community.
- 🕊 Children's Bereavement Service.
