The course is delivered by The Jo & Mya Education Project within Alice House Hospice. We provide a supportive relaxed atmosphere to explore what can often be a sensitive and complex topic.

Adults are often worried about saying the wrong thing. We aim to help you:

- ... develop confidence by providing both knowledge and resources.
- ... to identify children and young people who require more specialist intervention and make appropriate referrals.

### What they said about the course ...

"Lots of inspiring ideas that I will use in the course of my work."

"Great to see resources used and hand-outs provided, exceptionally helpful."

"I feel very confident now to be of use in a situation where a child has been bereaved."

"Thoroughly enjoyed and helped me look at death in many different ways so I can hopefully help any child going through the grieving process."

"I found this course extremely inspiring and friendly; it was lovely to be a part of this great training."
