Remember  
Someone Special  
with a dedicated glass brick  
in our  
**Wall of Light**

a feature wall, illuminated at night and  
made with over 200 individual glass bricks.

With a successful grant we have  
remodelled the existing front garden into  
a welcoming space for visitors with areas  
for reflection.

The garden boasts a beautiful walkway,  
soothing water feature and stunning  
pergoda from which you can view the  
bricks dedicated to the memory of your  
loved ones.
